Saurav
Web Developer

SUMMARY

As a Junior Web Developer with 11 months of experience at Epic Web Techno, I have worked on various front-end development tasks, including coding, implementing website designs, creating responsive layouts, and optimizing website performance. Proficient in HTML, CSS, Bootstrap, Reactjs, Nextjs, Shopify, and WordPress. I have knowledge of Adobe Photoshop, and CorelDraw. I am pursuing a BA degree from the School of Open Learning (DU) and have completed a Diploma in Web Designing from Vision Academy.
